Parent Participating Status (check one):

Participating

Non-participating

- Participating status requires a parent to volunteer as a classroom aide in their child's classroom on assigned days. The commitment is approximately once a month for 9 months.
- Non-participating status allows parents to opt-out of the classroom volunteer responsibility. It entails a relative increase in tuition to cover the cost of a substitute classroom aide
- *No changes in participation status will be allowed after August 1, 2019.*
